

ASSESSMENT UPDATE

- All grade levels should be teaching science GLEs from the Louisiana Comprehensive Curriculum.
- There are no changes to the LEAP and ILEAP science assessment for the 2015-2016 school year.
- New K-12 instructional tasks have been released by LDOE. These tasks can be found on [Caddo Science website](#).
- All science classroom chapter or unit assessments should be LEAP/iLEAP like. Use fill-in-the-blank, matching, and true and false assessment questions sparingly.
